

## **Sharon High School Sailing Team**

### **Directions to Sharon Memorial Beach**

Take the Southeast Expressway and stay on 93 South.

Don't take Route 3 toward Cape Cod.

Turn on to 95 South toward Providence

Take exit #10 Coney Street to the top of ramp.

At the top of the ramp, take a left back over route 95 towards Sharon.

This road becomes Route 27 as soon as you go through the crossroads.

Follow this road all the way into Sharon Center, approximately 2 miles.

You will pass over a railroad bridge before the center.

You will see a traffic light in the center.

Go straight through the light into the center and take your first (quick) right in front of Bank of America onto Pond Street.

Go 0.8 mile on Pond Street, passing a gas station on your left and Sharon High School on the right hand side.

Just past the high school, take your next right.

If you've gone to the rotary, you've gone too far.

Take the second driveway into Memorial Beach.

Turn left and you'll see the boats down at the far end.
